

**S. Hale Indian Allotment**

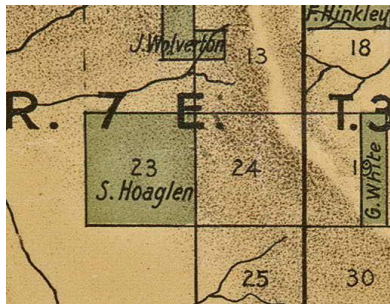

**IA06 Map 4 T3S, R7E, S25**

This tract shows up as an Indian Allotment on the 1915 TNF map.

(A2: 28)

It does not show up on the usually accurate Lowden's 1893 maps so it may have been patented after this date.

(A2: 05)

Note how the section lines have changed since the original GLO survey. It is plotted on the Base Map as it shows up on USGS map.

No historical documentation could be located on an S. Hale including a review of the 1880 and 1900 Long Ridge census records.

Addendum

A listing was found on the 1900 census for an M. Hale. There is no indication if this is the possible father or otherwise related to S. Hale.
