S. Willburn Indian Allotment

IA10 Map 2: T2S R7E S34

This tract was plotted on the Base Map as an IA based on the 1915 TNF Map. S. Willburn is most likely Sidney W. Willburn the son of James S. Willburn (Sr.) and it appears that this tract was acquired to block up the extended Willburn family property in the Hettenshaw Valley area.

The tract still shows up as private on the 1977 SRNF map (A2: 21a).

Refer to B05 for more on S. Willburn.
